

## NEW YEAR'S PREPARATION, 2024

It's not so much about the preparations that you will make in the natural (physical) realm, though those are objectively very important, so much as it is about making preparations of the heart. In My Father's House there are many ROOMS and each is to be SET INTO ORDER with ALL DUE DILIGENCE and with all SIDE DOOR BREACHES accounted for and brought to SWIFT RESOLUTION.. In fact, what should become obvious is that RECONCILIATION AND FORGIVENESS are intertwined, that the settling of almost every room will either be a resolution according to FORGIVENESS OR UNBELIEF. And both of these are simple enough to resolve by choosing to REPENT -- that is, to CHANGE THE ALIGNMENT OF THE PREVAILING NARRATIVE (WORD) in your life. We're not talking dead affirmations or greedy claims outside of My Will.. we are talking about the DELIBERATE CHOICE to UPHOLD MY WORDS OF TRUTH AS STANDARD, and to make every other word bow and confess that MY WORD IS LORD. And it isn't about beating yourself up when you hear false words escape from your lips, for the Bible is filled with days of GREAT PURGING.. So you must purge out the traitors from within your midst, because A HOUSE DIVIDED AGAINST ITSELF CANNOT AND WILL NOT STAND. By My Sheer GRACE people are kept in a HOLDING PATTERN instead of being destroyed under the world's pressures and on a sand foundation, but the truth of the matter is, I am HOLDING TO ACCOUNT MY BODY and the days of being a SPIRITUAL INFANT are coming to an end for many, and they will be examined according to the LIGHT OF MY TRUTH, and all that is impure will be exposed and all that is unprofitable will be swept away, as the GREAT TUMULT OF THE AGES is upon your generation. Nothing your generation has known to be true will remain because it has all been a lie, and it is time for My Sons and Daughters to step into their rightful REIGN, those with CLEAN HANDS AND PURE HEARTS -- to these belong the KINGDOM OF MY MAJESTY, and to these humble ones will be given MY ETERNAL INHERITANCE HERE ON THE EARTH FOR ALL TO SEE.

I have sent My prophets to you in advance in the spirit of Elijah to prepare the hearts in advance, so that my Body would not be forced to make such a rough transition in the eleventh hour, but the eleventh hour is here, and it is time to remove the LYING TONGUE from your midst.. and thus you shall not lie to yourself by believing what the enemy says about Me -- that I am not true to My promises, that My Prophets are missing the mark, that the world is getting darker and darker and that I don't move or speak anymore because those days are over. NONSENSE. I am LIVING AND ACTIVE TRUTH and I am always speaking to those who are WILLING TO BELIEVE ME and WILLING TO REPENT OF THEIR SIN. I stop speaking to those who do not believe me and to those who harden their hearts because I will judge people not just for the careless words that they speak, but the careless way in which they IGNORE MY WORDS, for to ignore My words is to declare in one's heart, I DO NOT BELIEVE GOD. Woe to those in this hour who scoff and despise correction and blurt out all manner of obscenities. In a way it cannot be helped because the ANOINTING on My Faithful Ones will be so strong as to draw out of the depths of the WOUNDED HEART that which is perpetuating the dysfunction, but for many this is the only way they will understand what has been squatting in their storehouse, by the betrayal of the tongue, the defilement that comes thereafter.

PUT TO DEATH THE PETTY LUSTS OF THE FLESH. It is not the time to hold onto childish grudges and mantras that keep you stuck. Resist the temptation to attempt to EMOTIONALLY BLACKMAIL THE HOLY SPIRIT by upholding a false word and demanding that He provide immediate relief to counter it. Those are childish ways and if those words are said at the DINING TABLE OF THE KING, there will be consequences, for I AM NOT ONE WHO IS MOCKED. It is not the day nor the hour to gorge yourself on dainty morsels, junk foods that pollute your body, junk words that pollute your soul and fly at odds with what your spirit is declaring. It is not the time to find comfort

in the whoredoms of Delilah, it is not the time to become puffed up and proud like the Pharisees, the scoffers, the mockers, the doubters. It is not the time to oppress and magnify yourself against another. It is not the time to project your own insecurities and weaknesses onto others. It is not the time to count splinters in the eyes of others when there are logs to remove in your own eye. **THE TIME IS SHORT.** If you have failed to heed the warning thus far, you are warned now! Put to death the slack hand or else remain enslaved in this coming time of blessing for My People.

**HOW BLESSED ARE THEY** who have the opportunity to hear the words directly from the mouths of **MY CHOSEN BROADCASTERS!** And how great and terrible it will be for those who do not heed the warning! People have stored up their coffers with silver and gold, with control and prestige, with oppression and violence. They think by gaining relative advantage to another that it will save them and provide for them in the time to come, and I will in a single moment bring them to their knees so that they will understand that **APART FROM ME, YOUR WORKS ARE DUST.** Those who are wise have sown into **THOSE THINGS THAT DO NOT PASS AWAY.** How blessed are those who have sought **WISDOM AND FOUND HER.** How blessed are those who have **HUMBLED THEMSELVES** so that they will not fall into the hand of the god of this world, and instead **I WILL EXALT THEM.** How blessed are those who have chosen to be **GENEROUS** with what little they have, for I will set them over **MUCH.** How blessed are those who have quietly in their own heart sought to remove any iniquity from themselves and have asked me humbly to grace them with **RIGHTEOUSNESS, FOR THEY WILL BE SATISFIED.** Blessed are they who have decided to **KEEP THEIR BROTHER,** to **LOVE THEIR NEIGHBOR AS THEY LOVE THEIR OWN LIFE,** instead of seeking to spend their neighbor in order to save their lifestyle.. It will be a harsh and cruel time for those who have rejected Me and given themselves into the hand of the enemy, that they might gain temporarily by forsaking their allegiance to Me and to My Children.

The **GREAT SHAKING** has only begun, and we have yet to see what type of **OBSCENITIES** will surface from the depths of the compromised hearts of individuals and the institutions they rely upon. Even My Own Body will see that it has become defiled by compromise, that they uphold a false word that I didn't speak, that they lavish their worship upon so-called "prophets" whom I did not send, whose hearts are like devouring, ravenous wolves. We will see that those who appeared to speak mostly true things will pivot quite abruptly to justify holding onto their idols. We will see those caught up in scandal seek to justify themselves, as if **HOLINESS** is a cheap thing that can be gained overnight with lip service and not true repentance. We will see false intellectuals parade a great perversion, to call **EVIL GOOD AND GOOD EVIL,** many false witnesses and doctrines will sell out the sanctity of their word for thirty silver pieces and justify perverse narratives that will ensnare the naive and simple of mind, and defenseless children, widows and orphans who have no protection. We will see just how devastating it is for the fatherless who latched onto the perverse theology of man in this generation, because just as I am going to rip from the foundations this doctrine from hell, the worship of 'self,' so too will people's reality be torn asunder, and the next order foundations will be tested, and pressure will be applied to many because of this fall. Marriages will be shaken to their very core and forced into the valley of decision, and we will see that money earned through compromise will be wasted in the pursuit of folly. Great offense will divide households, hidden sins will begin to emerge as false comforts. All that has been undealt with thirst for recognition and satiation, like that of a drug addict. People will find just how enslaved they really are, but in this, many will turn from their wicked ways and repent. Those who are able to make enemies into friends will find themselves in their **FINEST HOUR,** those who are able to **REMAIN UNOFFENDABLE** will have access to all sides of every argument. They will be the ones who are given access to be **ALL THINGS TO ALL PEOPLE,** and we will see just how **PERFECT LOVE COVERS ALL.**

THE WEALTH IN THIS FUTURE ERA OF TIME will be the STRENGTH OF ONE'S WORD. The idea of CREDITWORTHINESS will be manifest in accordance with HONEST DEALING and not MARKET MANIPULATION. It has long been that the TRULY CREATIVE are made subject to UNRIGHTEOUS MIDDLEMEN, who deal in the false currency of COMPROMISE. Everything that has run through the filter of compromise is DILUTED, like salt that has lost it's saltiness. There is always a mitigated effect when Truth is mixed with perversion. Imagine what happens if you mix the wine of Truth with the wine of Violence or the wine of Compromise. It only takes one drop of mixture to ruin the entire batch, and that is why MY GUARDIANS in this era must not fall prey to the same compromise that the last era failed to curb. I WILL NOT ENTRUST MY MYSTERIES TO THOSE WHO ARE NOT SERIOUS ABOUT THEIR WORD. I will not make a ruler anybody that will declare perversions from their pulpit. I will not allow those who NEGLECT SELF DISCIPLINE to become role models to the children of this coming generation. It will cease to be attractive to loaf around and be a lazy sluggard. It will not be attractive to be dumbed down. We have had an attack on the intellect of the masses for many generations so that the controllers at the top would face very little competition to their selfish interests, but they underestimated the power of the HEART to reconcile that which was destroyed in the SOULISH MIND. In this time to come we will see a great reversal that will become obvious in the children of the parents who are diligent to DETOXYIFY from the world system, including information and people and food and water and technologies. TECHNOLOGY IN THIS ERA will be not for the lazy, but for the DILIGENT!

The coming period of time will be much smoother for those who possess MY WISDOM. Blessed are those who were not offended by the LIGHT OF MY TRUTH. These will know the right answer when faced with difficulty in the coming time because they will understand that they cannot compromise on MY WORD. It will be much simpler, though maybe not so easy, to reject UNJUST GAIN because it will be clear which way is leading to sin and error and which way will keep one INNOCENT BEFORE ME. It will be very clear if people trust in ME or if they trust in money or if they trust in alliances with worldly conformity. Those who remain true to My Witness will not suffer such drastic loss as those who have compromised their morals for the sake of comfort or appearances or personal gain. In fact, many children will be found to possess My Wisdom and they will have doorways to mitigate the damage of their unbelieving parents because they got hit with a wave of My Spirit and they will not be put to shame, they will not be put to forced labor to justify a father's sinful preference. Because the children of these prior eras and seasons were subjugated to such a high degree, I will elevate them in the coming eras and seasons. We will see children operating in UNDEFILED WISDOM AND EXECUTION, because their word will not be compromised as perhaps many or most adults have been at the time of their emergence. Then we will start to see standards of those who MAINTAIN THEIR INTEGRITY in the face of testing (for a child is not tested in the same fashion as an adult is), and then there will be measures of how many generations bloodlines are able to HOLD FAST and to KEEP MY WORDS HOLY, and of course there will be measures of unification of peoples. This is how the GOSPEL will be preached to the whole heavens and the whole earth, in HOLINESS AND TRUTH.

We will see a great RETURN TO EDUCATIONAL PROWESS. Knowledge will become valuable again and not just clout, intimidation and bullying, deception and appearances, name dropping and influence peddling.. we will see that none of these will stand against one who STUDIES IN SPIRIT AND IN TRUTH, to those who are FAITHFUL TO EXECUTE THAT WHICH I REVEAL TO THEM. Truth will not be withheld from the people, but it will be on their own account to be faithful to a transparent opportunity to progress. The world you live in now operates in darkness, unwritten rules made in private behind closed doors. Judges and lawmakers and executives have been bought and compromised. The pulpit has become a place for vipers and betrayers. The family has been supplanted by the distraction and the lusts of the wide road. I TELL YOU THE TRUTH, that which has always

been will always keep the potential to tempt the flesh and sway the entire generation to sin worse than any generation prior, but in this coming time of HOLINESS AND TRUTH, the eye will not be as easily subjected to hypnosis as it has been. True Redeemers will appear to guard the gates of influence. People with eyes open will have to choose if they love sin or if they love Truth, and so in this way it will be more justified that people are not snared by sleight of hand as they have in prior generations, but open covenant. People will not be subjected to a tiny minority of controllers who have made agreements in darkness. The common man will be empowered to make full use of their voice (and their VOTE) and it will have to be that widespread and open agreement to sin is what snares a nation, and not merely that of kings and supplanters in the kings' seats, and not a small group of oligopolist bankers that control all of the systems by false commercialization, the transformation of eternal substance into love of money. Great HISTORIANS and great TEACHERS will arise, BOLD and COURAGEOUS and GENEROUS with their KNOWLEDGE. Freely they have received and freely they shall give. Not like this selfish generation that received freely and then hoarded and put a toll booth on that which I meant to be distributed. It was a betrayal of My Intimacy to gain access to My Secrets and then withhold from their own children so they could rule unrighteously with My Substance, so that they could take [wow the FIRE] credit and gorge themselves with stolen valor and stolen honor. Those who seek to enrich themselves, with MY SECRETS, no less, will be swiftly dealt with for I have raised up an army of RIGHTEOUS JUDGES, HONORABLE STATESMEN, FAITHFUL AND TRUE EDUCATORS. THE WORD that is so perverted in the mouths of false educators and sellout politicians and compromised pulpits and media propagandists will cease to empower them, and that which they have peddled that is poisonous will fall on their own heads, and their influence and their coffers will dry up and even their strength will fail for daring to mislead my little ones in a time of such awakened consciousness.

THE FEAR OF THE LORD WILL RETURN TO THE LAND as My Righteous Instruments topple and overthrow and establish righteous rule where long the people have been made to groan under the weight of taxation and corruption, broken promises and stolen inheritance. You will see the GUILTY have a great fall, as a GREAT ACCOUNTING has already taken place, and you will see that DARKNESS CANNOT COMPREHEND OR CONSPIRE as THE LIGHT OF MY TRUTH EXPOSES THOSE THINGS HIDDEN. There will be a GREAT REPENTANCE in the land as people are made to see just how defiled things have become. You are seeing BIRTH PANGS but also a DEATH RATTLE in this season. The signs are already there but only some are able to acknowledge it. It is in this TRANSITION season that all of the YEARS OF PREPARATION will start to bear fruit, for a great and mighty effort must take place to supplant the forces that are fighting for permanent enslavement, even a genocide of the human race if necessary. MY CHAMPIONS who have been hidden as if in darkness until this time will arise and take their rightful place, as they have the words of life that will be a lamp unto the feet of the fatherless and the disenfranchised. Anyone with the FAITH to believe the TRUTH in the mouths of MY WITNESSES will be spared, though they must endure the shaking even as my righteousness ones will have to endure the shaking. The MOUTHPIECES who are of MY SPIRIT [my goodness, I am on FIRE right now] will IMPART GREAT FAITH TO ALL IN THEIR HEARING, even those who are of a reluctant disposition will be turned onto the NARROW ROAD OF MY TRUTH because so strong will MY FIRE BE [started shaking a little violently] in their tongue. It is in this way that I will show GREAT MERCY even to the BACKSLIDDEN and DULL OF HEARING. But woe to those who hear these words and run back to their vomit. It will not end well for them.

Finally, a mention of how to handle the LUKEWARM in this season. AVOID THEM. AVOID THEM LIKE THE PLAGUE because they will QUENCH THE HOLY FIRE if they get the chance and they will snare you into a slumber if they are able with a false imitation of reason, a disposition of dishonesty. Flee from these who are not serious with their time or with their life, who do not value their

own word. Refuse to throw away your oil on those who will spill it carelessly as soon as they leave your presence. Do not be a BABYSITTER for those who refuse to mature in this hour. Do not be snared by FALSE OBLIGATION. It does not mean you will not come across them but you do not need to make agreements with them, you do not need to set future meetings with them. Avoid the temptation to try and save everybody. It is a siren song of slumber, a form of harlot's speech, the kind that snares the naive, a false call to a false compassion. AVOID THEM! IT IS A TRAP.

How will you recognize them? See if they are bearing fruit. Anybody can talk a good game if they are intelligent enough, but sooner or later their actions will not match with their words. Beware of those who love to be heard for their many words but do not follow through on them. Be careful of those who love endless meetings and endless prayers that lack the power or lack the fire. Be careful of falling prey to those who love to snack on dainty morsels. They will spend up your time and they will spend up your words and they will spend up your money and your inheritance if you aren't careful. Flee from those who despise correction. Flee from those who despise accountability. The time is short and the window is narrow. Do not spend up your limited resources on unprofitable ventures with people who are not serious. It is a horrible way to waste your life even if your intentions are good.

If you are diligent with your own time, you will naturally come to despise those situations that waste your time and waste your breath. It doesn't mean you don't love the people and show them compassion, for everyone needs an opportunity. But for those who seek to continuously waste it and throw it away, it is now on your account that the time is thrown away. I will not repay you if you fail to learn this lesson, but I will repay you if you are operating in good faith and according to My instruction. You should not endlessly fund an addict's habit, but they deserve an opportunity to receive correction if they are under your care.. You should not continuously repeat yourself to those dull of hearing but who knows? It may be your word snaps someone awake when they otherwise would not have awoken.

The TRANSITION to the New Era will require a lot of FAITH ACTIONS because the rewards will often be INTRINSIC and not so obvious. Blessed is the one who walk in great UNDERSTANDING, because it will not be so difficult to make these decisions.

To Summarize: CLEAN HANDS, PURE HEART, WILLINGNESS TO RECEIVE MEATY CORRECTION, REFUSAL TO GORGE ON DAINY MORSELS, often masquerading as deep truths or concern for another. BE QUICK TO ACT AND DILIGENT TO COMPLETE, and FAITHFULNESS WITH LITTLE WILL BE SET OVER MUCH, NEW GLORY UNTO NEW GLORY.
